

alger telecom 09

Do Business Think Future & Network

Algeria's one and only dedicated telecommunications event

■ -
 ■ www.alger-telecom.com

A series of keynotes, success stories, panel discussions and presentations with the participation of top industry and government professionals offering strategic insight and real life business case examples of launching services and maintaining competitive advantage in this fast paced industry. Learn the latest industry initiatives, join industry leaders to discuss the hot topics currently of high relevance for the Algerian growth market.

Attending the alger telecom 09 conference is reserved for telecom and infocomm professionals only, online pre-registration obligatory. Attendance is free-of-charge for all delegates. Not open for students; students, however, are welcomed on alger telecom 09 "Campus day", October 14.
